

Econem[®] Performance Survey

Methodology: Golf course superintendents that had used Econem[®] were asked to complete a survey rating its performance. Superintendents were asked to rank Econem on a 0 (No Improvement) to 5 (Excellent Results) scale related to five key performance criteria. A total of 15 responses were received and summarized.

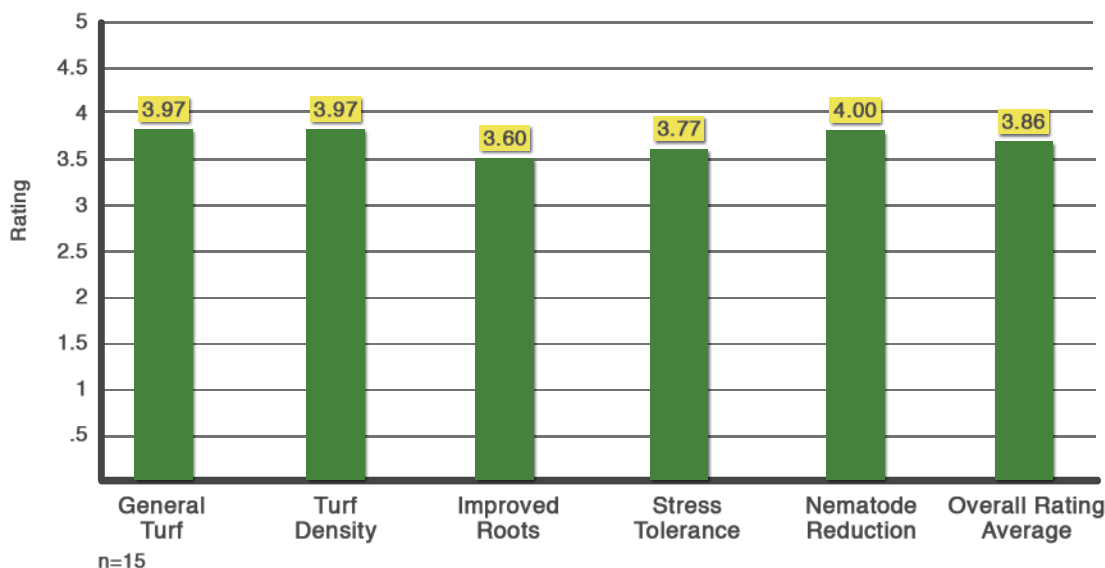

Questions	AVG
1 - General Turf Improvement	3.97
2 - Turf Density Improvement	3.97
3 - Turf Root Improvement	3.60
4 - Improved Stress Tolerance	3.77
5 - Nematode Reduction	4.00
Overall Rating Average	3.86

Ratings (0 - 5)

- 0 – No Improvement
- 1 – Slight Improvement
- 3 – Noticable Improvement
- 4 – Good Improvement
- 5 – Excellent Results

Econem Performance Results

What superintendents say about Econem[®] performance?

"I saw positive results including less wilting, more density."

- Greg Burleson, Golf Course Superintendent, Augusta Country Club,
Augusta, GA

"I am extremely pleased with the results."

- Lukus Harvey, Director of Agronomy, PGA National, Palm Beach Gardens,
FL

"I think the product worked well so far. It performed better than I
thought it would."

- Mike Meisenhelter, Golf Course Superintendent, Panther Run,
Ave Maria, FL

"Worked great – saved a lot of turf area during this past summer."

- Todd Daniel, Golf Course Superintendent, Riverchase Country Club,
Birmingham, AL

"I have witnessed for the last 18 months continued nematode
suppression."

- Blair Kirby, Golf Course Superintendent East Course, The Club At Admirals
Cove, Jupiter, FL

"Performed well and plan on continuing use of the product."

- Chuck DeCerce, Assistant Superintendent, The Rookery at Marco,
Naples, FL

"Overall, pretty good. Have seen some positive results, but am waiting
for long-term results."

- Bibi Barrett, Supervisor of Grounds, The District School Board of Collier
County, Naples, FL

"Seems to be working well, continued re-applications appear to be
necessary to receive optimal turf health. The ease of application is
great."

- T.J. Shine, Golf Course Superintendent, Herons Glen, North Fort Myers, FL

"The sting counts definitely went down, but I would like to try it again
a little sooner in the spring."

- Jonathan Wright, Superintendent, Harbourtown Golf Links, Hilton Head
Island, SC
